Invitation: "27th Anniversary of National Recovery Month Recognition"

Please join NC Dept of Public Safety, DART Cherry Program as we recognize the 27th Anniversary of National Recovery Month. This year's theme, **"Join the Voices for Recovery: Our Families, Our Stories, Our Recovery!"** highlights the importance of families, communities and individuals sharing stories of recovery to encourage others to seek treatment, share their stories, and make a personal connection with the recovery movement.

Recovery Month promotes the message that recovery in all its forms is possible and also encourages citizens to take action to help expand and improve the availability of effective recovery services for those in need.

The **2016 Recovery Month** observance aims to educate the public on how important families and our stories are in working towards recovery. **National Recovery Month**, officially celebrated each September, has become a year-round initiative that supports education outreach and celebratory events throughout the years.

To acknowledge the positive impact the **DART Cherry Program** has contributed to the communities of North Carolina, by **"Rebuilding NC One Man at a Time"** we will celebrate **National Recovery month** with an event held at our facility. We look forward to seeing you at our recognition event to witness some of the positive accomplishments made by our residents and staff. We also invite you to visit with us after the program to share in light refreshments and tour our facility.
