

SEPTEMBER 10, 2016 5TH ANNUAL CAPITAL AREA RALLY FOR RECOVERY

We get well then we get better than well

People in recovery from alcohol and other drug problems, their families, friends and allies gather from across the Greater Triangle Area each September to celebrate National Recovery Month. We demonstrate to the community that we can and do recover and that when we get well, everyone benefits.

"It is time we helped our community, our nation, and our world recover. To achieve this, we must become recovery. We must be the face and voice of recovery. We must be the living future of recovery." - William L. White

Funded in part by the Substance Abuse Prevention and Treatment Block Grant, CFDA Number: 93.959, in conjunction with the North Carolina Division of Mental Health, Developmental Disabilities and Substance Abuse Services and by donations from generous community partners.
